QQM Fund Management AB Triumphs in Prestigious Industry Awards

27 January 2015

United Kingdom – QQM Fund Management AB has been named Best Systematic Equity Market Neutral Fund - Sweden (QQM Equity Hedge) and Best Nordic Equity Focused Hedge Fund in the Acquisition International Hedge Fund Awards 2015.

The Hedge Fund Awards recognise the achievements of those working within the investment and financial services community – from asset managers, wealth managers, private bankers and financial planners to brokers, banks, family offices, financial advisory firms and consultants.

The awards pay homage to the leading professionals for going above and beyond in assisting their clients with managing their wealth, planning for the future of their business or their family and for providing sound advice in all areas of finance.

Acquisition International has welcomed nominations for firms throughout the globe, from very small niche practices to large corporations and have ensured that those who do go on to win one of these highly sought-after awards have been selected on merit and are based upon the votes received, the further evidence supplied and based on our own in-house research.

QQM are a company that achieves consistent returns. They believe this is the result of a fund management process that is systematic and based on proprietary quantitative models. QQM always makes sure that the fund's beta to global equities is always close to zero.

NOTES FOR EDITORS

About QQM Fund Management AB

QQM Fund Management AB is a Swedish fund management company supervised by Finansinspektionen, the Swedish Financial Supervisory Authority.

The fund management team has since July 2010 managed QQM Equity Hedge, a market neutral absolute return strategy, investing long and short in equities.

The investment process is systematic and based on proprietary quantitative models. The security selection models have been developed based on academic studies and economic principles.
